**This is how to use chopsticks.**

Read the dialogue, then in pairs practice acting out the conversation.

**A:** Have you ever used chopsticks?

**B:** No, I haven't. How do you use them?

**A:** I'll show you how:

First, place one chopstick between your thumb and fingers.

Next, place the second chopstick above the first chopstick, touching the ring finger.

After that, press your thumb against the two chopsticks.

Then, lift up and bring down the top chopstick without moving the bottom chopstick.

Finally, place the chopsticks around the food and eat.

**B:** Thanks for showing me how to use chopsticks.
